2	Expanded List of Electronic Files.....	4

1 Introduction

A project is underway with Dr. Thomas Dolan to document the records of his contributions to and activities in the field of cold fusion (CF, also known as Low Energy Nuclear Reactions, LENR). The Dolan LENR Contributions Documentation Project (DLCDDP) is being performed under the umbrella of the LENR Research Documentation Initiative (LRDI).

The purpose of this Volume 2 (Appendix C) is to present the detailed contents (with folders expanded) of Dr. Dolan's collection of electronic files. Please see Section 6 of the main report (Volume 1) for more detail.

2 Expanded List of Electronic Files
